

*A Place Where Every
Child Is Seen,
Supported, and Included*
Impact

For many families, attending church can feel overwhelming.

Project Noah creates a space where parents can breathe, knowing their child is safe, supported, and cared for.

Worship

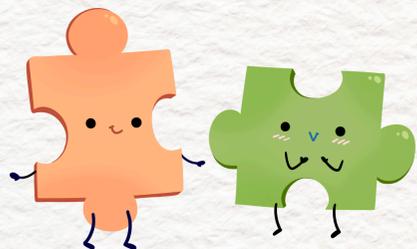

Adapted Learning

Who we serve

We serve families in the San Antonio community navigating life with special needs.

Many families struggle to find spaces where their children are fully accepted—Project Noah exists to change that.

How we help

Trained volunteers
Sensory-friendly environment
Emotional & behavioral support
A place families can feel peace of mind

What we do

Project Noah is a special needs ministry dedicated to supporting children with autism and developmental disabilities.

We provide a safe, structured, and compassionate environment where children feel understood and valued.
